START Surgery
(Systematic Training in Acute Illness Recognition and Treatment for Surgery)

We have great pleasure in announcing the START Surgery Course (RCS England) being hosted at the Medical Education Department, QEQM Hospital on 10th February 2018.

START Surgery is primarily aimed at Foundation doctors and will benefit doctors contemplating a career in any acute specialty including acute medicine, anaesthetics, A&E and of course surgery. This course will also benefit final year medical students about to begin foundation training as well as International Medical Graduates starting their careers in the UK.

The course will enable the attendees with skills to identify and manage critically ill surgical patients employing a systematic approach. They will also benefit with improved teamwork skills.

The START Surgery is a one day course (6 CPD Points) with small group workshops, role-play clinical scenarios and short interactive lectures followed by assessment.

The course fee is £155/- which includes lunch and coffee. We are able to offer a discounted rate of £125/- for internal applicants from East Kent Hospitals NHS Trust (Limited spaces!).

To apply please contact Jackie Foreman at QEQM Medical Education or email jacqueline.foreman@nhs.net. For further details please visit https://www.rcseng.ac.uk
