

Post Procedure Advice following a Gastroscopy (OGD)

Following your examination today you are advised to go home and rest.

You can eat and drink as normal and take your usual medication.

If your procedure was carried out with a conscious sedative injection or general anaesthetic, it is important for the next 24 hours **you do not:**

Drive a car/motorbike or ride a bicycle
Sign any legal documents
Operate any domestic appliances or machinery
Drink alcohol
Look after young children alone
Take sleeping tablets

One of the effects of sedation is that you may not remember having the procedure, this is normal.

The same or another responsible adult that collects you from the Endoscopy Unit should stay with you for the next 12 hours.

How will I feel after the procedure?

The back of your throat may feel sore for the rest of the day, and you may feel a little bloated.

If your procedure was carried out with sedation you may feel sleepy for the remainder of the day.

When should I seek help/advice?

Serious side effects are rare however if any of the following occur within 48 hours after your gastroscopy, consult a doctor immediately:

Vomiting blood	Trouble swallowing
Severe abdominal pain	Difficulty breathing
Fever	Chest pains
Severe bloating	Bowel motions turn black

Conquest Hospital contact numbers:

Endoscopy Unit – Tel: 0300 131 5297 – Monday to Friday 8.00am to 6.00pm (except bank holidays).

Eastbourne District General Hospital contact numbers:

Important information

The information in this leaflet is for guidance purposes only and is not provided to replace professional clinical advice from a qualified practitioner.

Your comments

We are always interested to hear your views about our leaflets. If you have any comments, please contact the Patient Experience Team – Tel: 0300 131 4784 or by email at: esh-tr.patientexperience@nhs.net

Hand hygiene

We are committed to maintaining a clean, safe environment. Hand hygiene is very important in controlling infection. Alcohol gel is widely available at the patient bedside for staff use and at the entrance of each clinical area for visitors to clean their hands before and after entering.

Other formats

If you require any of the Trust leaflets in alternative formats, such as large print or alternative languages, please contact the Equality and Human Rights Department.

Tel: 0300 131 4500 Email: esh-tr.AccessibleInformation@nhs.net

After reading this information are there any questions you would like to ask? Please list below and ask your nurse or doctor.
