FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

Can you please provide details including expiry dates and expected annual value of any blood gas analysis contracts and also point of care managed service contracts that are currently active for the trust.

The expiry date for the blood gas analysers managed service contract is 31st March 2025 with +3 years option.

The Trust is unable to quantify the annual value of the blood gas analysis contracts as they are part of a larger Managed Service Contract.

East Sussex Healthcare NHS Trust has no Point of Care managed service.

If I can be of any further assistance, please do not hesitate to contact me.

Should you be dissatisfied with the Trust's response to your request, please write to Lynette Wells, Director of Corporate Affairs, East Sussex Healthcare NHS Trust (lynette.wells2@nhs.net) quoting the above reference.

Yours sincerely

Linda Thornhill (Mrs)
Corporate Governance Manager
