

On demand AHP virtual work experience:

Springpod

Information for Health and Social Care Providers in Sussex ICS

This is a funded programme from Health Education England (HEE) across the South East region. This program offers 10 hours of virtual work experience across the 14 allied health professions (AHP).

Each Integrated Care System (ICS) will be allocated 400 entries onto the program. Of these allocation 250 will be allocated by Springpod to schools and Colleges within your area.

The remaining 150 allocations will be available for organisations within the ICS to use throughout the year. These allocations can also be advertised in external settings, eg Job centres, gyms. Please note Springpod do not circulate to these external settings.

Access:

When a organisation has a request for work experience and would like to offer the applicant the virtual work experience program, then they will be able to issue them with the links below. The applicant will need to open the link and register on the springpod website

For a student that is at school or college:

<https://www.springpod.co.uk/experience/allied-health-professional-on-demand>

For a college lever/ Adult:

<https://join.springpod.co.uk/ahp-on-demand-adult-learning-course/>

Springpod will produce a report every quarter displaying how many applicants there has been in each area.

Criteria:

This program is open to any applicant wanting to learn more about a career as an AHP.

Advertisement:

There is a poster that has been produced and can to be used to promote the program and can be displayed on organistaions' websites, or via external companies.

Feedback:

At the end of the program the applicants will fill in a survey. This survey will explore which profession interests them the most and if they would like more information. This information will then be given to HEE AHP (SE) ahp.se@hee.nhs.uk. They will then pass this information onto the relevants organisations, eg AHP Councils/Faculties.

For further information regarding this program for Health and Social Care providers within your local ICS please contact:

Anne Canby (Strategic AHP Workforce Lead – Sussex) anne.canby@nhs.net
