FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

I am a medical graduate from Nepal. I would like to apply for the Clinical Observership programme in the East Sussex healthcare NHS Trust Conquest hospital. It would be of great help if I could get the contact details of the consultants of General surgery, Medicine, Paediatrics, Urology, Radiology and Stroke speciality to find a Consultant Supervisor who will be willing to supervise and support me whilst at the NHS Trust.

Thank you for your enquiry. Whilst your question does not officially conform with the requirements of a Freedom of Information request, we are happy to inform you that CVs can be sent to the following consultants requesting clinical supervisors. If a reply is not received within 4 weeks then the application has not been successful.

General Surgery	Mr Yesar El-Dhuwaib	yesar.el-dhuwaib@nhs.net
Medicine	Dr Elena Mucci	e.mucci@nhs.net
Elderly Medicine	Dr Aktham Nahhas	aktham.nahhas@nhs.net
Urology	Dr Sarah Tang	sarah.tang3@nhs.net
Paediatrics	Dr Salah Mansy	sarah.tang3@nhs.net

Please note the following link on our Medical Education website, which outlines the process for applying for a clinical attachment/observer-ship at East Sussex Healthcare NHS Trust:
