I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

The number of patients per week who have died while waiting inside an ambulance - on hospital property - to be admitted to the emergency department. I would like this information between the dates 01/11/2021 and 15/11/2022.

There have been no patients that have died in ambulances whilst waiting to be admitted into either Emergency Departments at Eastbourne District General Hospital or Conquest Hospital.
