FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

1. Which ERP (Enterprise Resource Management) or Finance system is currently used?

[Integra.](#)

2. What was the total value of the contract?

[Whilst the Trust holds the information requested, it is applying a Section 43\(2\) exemption in relation to this part of the request as the release of the information is likely to prejudice its commercial interests.](#)

[In applying the exemption consideration has been given to the public interest in enabling scrutiny of public sector decision making and the general public interest in accountability and transparency.](#)

[We have concluded that by providing the actual value of the contract could cause harm to the Trust as this could distort the market-place and therefore, result in the Trust not obtaining best value for money.](#)

[In this instance, we consider that the public interest in withholding the information is greater than the public interest in disclosing the information.](#)

3. What is the annual contract value?

[Section 43\(2\) applied, please see above.](#)

4. What is the duration of the contract?

[4 Years.](#)
