FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

We are researching and compiling information about NHS trusts' use of technology. According to our records, your trust's contract with below supplier is expiring (or has expired already).

Technology	Supplier Name	Product name	Contract ending date Final	Revised Date
Remote consultation system provider	AccuRx	*	16/03/2023	31/03/2024

Please could you confirm whether you have agreed a contract with a new supplier (if so what is the contract length and name of the supplier and system in question), or if you have extended your contract with your existing supplier? If neither, please provide details of what's happening at the minute (e.g. the trust is procuring a new system, the trust is developing an in-house solution etc).

[Please see above new revised contract end date with AccuRx.](#)

If I can be of any further assistance, please do not hesitate to contact me.

Should you be dissatisfied with the Trust's response to your request, you have the right to request an internal review. Please write to the Freedom of Information Department (esh-tr.foi@nhs.net), quoting the above reference, within 40 working days. The Trust is not obliged to accept an internal review after this date.
