FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

Please could you provide a list of the names of all companies that currently have contracts with the East Sussex Healthcare NHS Trust?

Please see the attached document.

Although not necessary, if available I would also appreciate the inclusion of further descriptive fields such as Addresses, Telephone numbers or Company Registration data of these companies.

I can confirm that we hold the information requested above. However, the information is exempt from disclosure under Section 21 of the Freedom of Information Act 2000. This is because the information is accessible to you, as it is already in the public domain and can be accessed by searching for each contractor.

This is an absolute exemption and there is, therefore, no requirement to consider the public interest.

If I can be of any further assistance, please do not hesitate to contact me.

Should you be dissatisfied with the Trust's response to your request, you have the right to request an internal review. Please write to the Freedom of Information Department (eshtr.foi@nhs.net), quoting the above reference, within 40 working days. The Trust is not obliged to accept an internal review after this date.

Should you still be dissatisfied with your FOI request, you have the right of complaint to the Information Commissioner at the following address:

The Information Commissioner's Office Wycliffe House Water Lane Wilmslow Cheshire SK9 5AF

Telephone: 0303 123 1113

Yours sincerely
