## FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

**I am writing to request information under the Freedom of Information Act regarding Temporary Staff Spend and Waiting List Initiatives and Overtime Spend. Please can you complete the attached questions.**

Please see the attached document and note that East Sussex Healthcare NHS Trust does not employ ambulance staff.

Please contact South East Coast Ambulance Service for the information requested in respect of ambulance staff, details as follows:

[foi@secamb.nhs.uk](mailto:foi@secamb.nhs.uk)

Please note that the Trust does not centrally record the number of WLI Sessions. To enable the Trust to provide this information would require a manual review of data, we are therefore applying Section 12(1) to this part of your request.

Section 12(1) of the Act allows a public authority to refuse to comply with a request for information if the authority estimates that the cost of compliance would exceed the 'appropriate limit', as defined by the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004 (the Regulations). These state that this cost limit is £450 for public authorities which are not part of central government or the armed forces. The costs are calculated at £25 per hour per person regardless of the rate of pay, which means that the limit will be exceeded if the work involved would exceed 18 hours. The Trust estimates that the cost of complying with this request would significantly exceed the above limit.

The Trust is not obliged to accept an internal review after this date.
