FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

I would like to submit an FOI request for the volume of Immunoglobulin distributed at East Sussex Healthcare NHS Foundation Trust in each month for July, August, and September 2023, broken down by product (see below). If the volume by brand is not available, I would like to request the number of vials distributed by brand.

I would also like to request the number of patients in East Sussex Healthcare NHS Foundation Trust by brand if available

Clarification was sought with regard to your definition of ‘the number of patients in the Trust by brand’ and confirmation was received as follows:

We imply that each of the Immunoglobulin brands list, how many patients were treated using these brands from July, August, and September 2023.
