FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

I would like to research the number of out-of-area (OOA) placements as well as the number of people with a delayed transfer of care (DTOC) in an in-patient setting for the following condition:

- i) Acquired Brain Injuries (ABI) condition – Patients in a level-3 neuro-rehab facility in-patient bed.**

I would like to know the current total number of people for both OOA and DTOC in each of the conditions listed above.

Not applicable to East Sussex Healthcare NHS Trust as we do not offer a level 3 rehab facility for ABI.

If I can be of any further assistance, please do not hesitate to contact me.

Should you be dissatisfied with the Trust's response to your request, you have the right to request an internal review. Please write to the Freedom of Information Department (esh-tr.foi@nhs.net), quoting the above reference, within 40 working days. The Trust is not obliged to accept an internal review after this date.

Should you still be dissatisfied with your FOI request, you have the right of complaint to the Information Commissioner at the following address:

The Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
Cheshire SK9 5AF

Telephone: 0303 123 1113

Yours sincerely
