## FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

**I would like to submit a request for some information from the organisation, in relation to their contract's register.**

**The FULL contract register should display all the organisation's existing/live contracts I would like the register to include the following columns/headings:**

- 1) **Contract Reference - Unique reference number associated with the contract.**
- 2) **Contract Title.**
- 3) **Procurement Category - Please state the category name of the contract, I wish to know the category the contract is under.**
- 4) **Supplier Name.**
- 5) **Spend (Total, Annual or contract value).**
- 6) **Contract's Duration.**
- 7) **Contract's Extensions.**
- 8) **Contract's Start Date.**
- 9) **Contract's Expiry Date.**
- 10) **Contract Description [Please provide me with as much detail as possible.]**

Please see attached a copy of East Sussex Healthcare NHS Trust's contract register and note that Section 43(2) exemption has been applied to values that could give detailed information around individual services or products, as the release of the information is likely to prejudice its commercial interests.

In applying the exemption consideration has been given to the public interest in enabling scrutiny of public sector decision making and the general public interest in accountability and transparency.

We have concluded that by providing the spend of these contracts could cause harm to the Trust as this could distort the market-place and therefore, result in the Trust not obtaining best value for money.

In this instance, we consider that the public interest in withholding the information is greater than the public interest in disclosing the information.

Cont.../

**11) Contact Owner (Person that manages the contract register).**

Angela Alletson  
Head of Procurement

We are unable to provide contact details of staff as we consider this information to be exempt from release in accordance with section 44 of the Freedom of Information Act (Prohibition on disclosure) and would refer to the Privacy and Electronic Communications EC Directive Regulations 2003 which provide specific rules on electronic communication services, including marketing (by phone, fax, email or text) and keeping communications services secure. We will not provide any information that could result in the transmission of unsolicited communications which may place an unacceptable risk to our email network and could also have a detrimental impact on patient care and treatment.

The contact numbers for the main hospital are accessible on the Trust website <http://www.esht.nhs.uk>.

This is an absolute exemption and there is, therefore, no requirement to consider the public interest.

**12) Contact details of section 151 officer.**

Not applicable as we are not a local authority.

**13) CPV codes/Pro-Class.**

We do not hold this information.

**Procurement Strategy Plan:**

**Please attach the procurement strategy plan along with the contract register.**

The Procurement Strategy is currently in draft form and expected to be published in the first quarter of 2024/25.

**Contract Data/API Contact Details:**

- 1) Can you also provide me with contact details of the person responsible for the actual contract's register and someone responsible for API? [Name, Job Title, Telephone, Email Address] At the very least provide me with their actual job title.**

Angela Alletson  
Head of Procurement

Section 44 applied, please see above.

If I can be of any further assistance, please do not hesitate to contact me.

Should you be dissatisfied with the Trust's response to your request, you have the right to request an internal review. Please write to the Freedom of Information Department ([esh-tr.foi@nhs.net](mailto:esh-tr.foi@nhs.net)), quoting the above reference, within 40 working days. The Trust is not obliged to accept an internal review after this date.

Should you still be dissatisfied with your FOI request, you have the right of complaint to the Information Commissioner at the following address:

The Information Commissioner's Office  
Wycliffe House  
Water Lane  
Wilmslow  
Cheshire SK9 5AF

Telephone: 0303 123 1113

Yours sincerely

Linda Thornhill (Mrs)  
Corporate Governance Manager

Vectra & Pentera Renewal	ES/22/748	Vectra® is the leader in threat detection and response – from cloud and data center workloads to user and IoT devices. Its Cognito® platform accelerates threat detection and investigation using AI to enrich metadata it collects and stores with the right context to detect, hunt and investigate known and unknown threats in real time. Vectra Cognito Detect™ uses AI to reveal and prioritize hidden and unknown attackers at speed, and Cognito Detect for Office365 and Azure AD™ finds and stops attacks in enterprise SaaS applications and the Microsoft 365 ecosystem. Pentera is the category leader for Automated Security Validation, allowing every organization to test with ease the integrity of all cybersecurity layers, unfolding true, current security exposures at any moment, at any scale. Thousands of security professionals and service providers around the world use Pentera to guide remediation and close security gaps before they are exploited.
