## FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

- 1) Does the trust currently have an Electronic Document Management System (EDMS) in place?**

Yes.

- 2) If so, what EDMS is deployed?**

Kainos.

- 3) When was the system deployed?**

2016.

- 4) When does the contract with the EDMS supplier end or when is the review date?**

March 2025 – currently under review.

**5) What is the rough spend on the EDMS either annually or total contract value?**

Section 17 – Notice of Refusal:

In response to the question of rough spend the Trust would advise that Under FOI Section 1(1) (a) this information is not held.

In response to the question of total contract value the Trust can confirm that it does hold the information requested, it is applying a Section 43(2) exemption in relation to this part of the request as the release of the information is likely to prejudice its commercial interests.

In applying the exemption consideration has been given to the public interest in enabling scrutiny of public sector decision making and the general public interest in accountability and transparency.

We have concluded that sharing commercials could disadvantage the incumbent supplier against their competitors. The information could provide competitors with the suppliers pricing, which could result in these suppliers obtaining a competitive advantage which could result in the Trust not obtaining best value for money.

In this instance, we consider that the public interest in withholding the information is greater than the public interest in disclosing the information.

**6) The name and email contact of the person within the Trust that has overall responsibility for the EDMS system?**

Andy Bissenden  
Associate Director of Digital.

We are unable to provide the contact details of staff as we consider this information to be exempt from release in accordance with section 44 of the Freedom of Information Act (Prohibition on disclosure) and would refer to the Privacy and Electronic Communications EC Directive Regulations 2003 which provide specific rules on electronic communication services, including marketing (by phone, fax, email or text) and keeping communications services secure. We will not provide any information that could result in the transmission of unsolicited communications which may place an unacceptable risk to our email network and could also have a detrimental impact on patient care and treatment.

The contact number for the Trust are accessible on the Trust website <http://www.esht.nhs.uk>.

This is an absolute exemption and there is, therefore, no requirement to consider the public interest.
