I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

Could you clarify if you still use Apex from Dedalus as your Pathology system. If yes, please provide the contract end date?

We do currently use iLaboratory APEX from Dedalus as our Pathology LIMS system, however we are currently implementing a new LIMS which is Winpath Enterprise from Clinisys. Our Dedalus contract is due to end in October 2025.

If I can be of any further assistance, please do not hesitate to contact me.
