ENVIRONMENTAL INFORMATION REGULATIONS ACT

I am responding to your request for information under the Environmental Information Regulations Act. The answers to your specific questions are as follows:

I would like your help to understand headline details regarding the capital works undertaken or in hand by your trust within the past four years (ie. since 2020), specifically for schemes with a budget of £1 million or more. This includes projects that have received outline or full business case approval, are currently in construction, or have been completed.

To facilitate this request, I would appreciate it if, for each scheme, you could please provide the following details:

- Project Title
- New Build or Refurb
- Forecast Completion (Year)
- Budget (Indicative)
- Project Manager
- QS
- Architect
- Structural Engineer
- MEP Engineer
- Contractor (if appointed)

[The answers to your specific questions are contained within the attached document.](#)

If I can be of any further assistance, please do not hesitate to contact me.

Should you be dissatisfied with the Trust's response to your request, you have the right to request an internal review. Please write to the Freedom of Information Department (esh-tr.foi@nhs.net), quoting the above reference, within 40 working days. The Trust is not obliged to accept an internal review after this date.
