## FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

**Please would you provide me with the email address of the (formerly the Targeted Lung Health Check Programme) within your Trust.**

**This is likely to be a Consultant Respiratory Physician, or a Lung cancer Screening Programme Lead. If you have both, then please provide email addresses for both.**

In East Sussex the Lung Screening Programme is being led by the Surrey and Sussex Cancer Alliance so we do not have a local Lead as our involvement only commences when the patient is referred in with a suspected Lung cancer at which time they are managed on the appropriate pathway. Please refer your questions regarding Lead roles to the Surrey and Sussex Cancer Alliance.

If I can be of any further assistance, please do not hesitate to contact me.

Should you be dissatisfied with the Trust's response to your request, you have the right to request an internal review. Please write to the Freedom of Information Department ([esh-tr.foi@nhs.net](mailto:esh-tr.foi@nhs.net)), quoting the above reference, within 40 working days. The Trust is not obliged to accept an internal review after this date.

Should you still be dissatisfied with your FOI request, you have the right of complaint to the Information Commissioner at the following address:

The Information Commissioner's Office  
Wycliffe House  
Water Lane  
Wilmslow  
Cheshire SK9 5AF

Telephone: 0303 123 1113

Yours sincerely
