FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

1. **A list of all ophthalmic consumables and procedure packs currently in use that are not covered by a formal contract or framework agreement.**

[Please see the attached document 'FOI 25-570 Response'.](#)

2. **For each non-contracted product, please provide the annual volume purchased (or used) over the last 12 months, the total spend, and the current supplier (if known).**

[Please see the attached document 'FOI 25-570 Response' and note that we are applying S43\(2\) to the spend.](#)

Section 17 Notice of Refusal

[Whilst the Trust holds the information requested, it is applying a Section 43\(2\) exemption in relation to this part of the request as the release of the information is likely to prejudice its commercial interests.](#)

[In applying the exemption consideration has been given to the public interest in enabling scrutiny of public sector decision making and the general public interest in accountability and transparency.](#)

[We have concluded that sharing commercials could disadvantage the incumbent supplier against their competitors. The information could provide competitors with the suppliers pricing, which could result in these suppliers obtaining a competitive advantage which could result in the Trust not obtaining best value for money.](#)

[In this instance, we consider that the public interest in withholding the information is greater than the public interest in disclosing the information.](#)

[However, we can confirm that the overall total spend on ophthalmic consumables and procedure packs was £217,716.41 for the period 1st September 2024 to 31st August 2025.](#)

Cont.../

3. If possible, please also provide the contact details (name, email, and telephone number) for the buyer or procurement lead responsible for ophthalmology within your Trust.

Angela Alletson
Head of Procurement
esht.procurement@nhs.net

If I can be of any further assistance, please do not hesitate to contact me.

Should you be dissatisfied with the Trust's response to your request, you have the right to request an internal review. Please write to the Freedom of Information Department (esh-tr.foi@nhs.net), quoting the above reference, within 40 working days. The Trust is not obliged to accept an internal review after this date.

Should you still be dissatisfied with your FOI request, you have the right of complaint to the Information Commissioner at the following address:
