FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

I have identified two potential call-off contracts awarded by East Sussex Healthcare NHS Trust, but I can't find details of the framework agreements they were awarded from.

Please could you provide the name of the specific framework agreements or DPS agreements used. If there is any further info which you think would help me locate the framework agreements (e.g., a link to the framework's Contract Finder or FTS listing, the framework provider, or a widely-used reference number such as CCS's RM codes), please use the final column for this.

I would kindly ask you to specify in these incidences what kind of procurement was used in the "Title of framework used" column.

[Please see the attached document - '25-658 - East Sussex Healthcare NHS Trust'.](#)

If I can be of any further assistance, please do not hesitate to contact me.

Should you be dissatisfied with the Trust's response to your request, you have the right to request an internal review. Please write to the Freedom of Information Department (esh-tr.foi@nhs.net), quoting the above reference, within 40 working days. The Trust is not obliged to accept an internal review after this date.

Should you still be dissatisfied with your FOI request, you have the right of complaint to the Information Commissioner at the following address:

The Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
Cheshire SK9 5AF

Telephone: 0303 123 1113

Yours sincerely

It is governed by the Our Care Connected programme responsible for implementation across Sussex NHS Trusts. This is a collaborative programme between the Trusts in Sussex. MHCR currently provides patients with next day access to their blood test results (1 million per week). In addition, it is available to all acute patients on a planned care pathway to support their waiting and inform them about resources available to them. MHCR reduces patient calls to the trusts and provides information about waiting times. It also sends appointment letters to patients digitally and reduces postage and SMS costs by sending notifications via the NHS App.	https://www.contractsfinder.service.gov.uk/Notice/fdc63091-cf48-4ed1-a050-eae7b0078c85	8 April, 2025	G-CLOUD 14 FRAMEWORK AGREEMENT - CALL OFF FROM A FRAMEWORK AGREEMENT	Crown Commercial Services	RM1557.14
