FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

I require data for the 12-month period 1st September 2024-31st August 2025 for the following:

- 1) A list of all pre-surgical skin preparations (including brand name) used within the Trust based on Chlorhexidine, PVP-iodine, alcohol or other antiseptic.**

Please see the attached document - '[FOI 25/716 Pre-Surgical Skin Preparations 01.09.2024 - 31.08.2025](#)'.

- 2) Usage data for these products over the 12-month period – volume used or number of units purchased.**

Please see the attached document - '[FOI 25/716 Pre-Surgical Skin Preparations 01.09.2024 - 31.08.2025](#)'.

- 3) Total spend by each product over the same period.**

Section 17 Notice of Refusal – Section 43(2) applied, please see below:

Whilst the Trust holds the information requested, in respect of the total spend by each product, it is applying a Section 43(2) exemption in relation to this part of the request as the release of the information is likely to prejudice its commercial interests.

In applying the exemption consideration has been given to the public interest in enabling scrutiny of public sector decision making and the general public interest in accountability and transparency.

Cont.../

We have concluded that sharing commercials could disadvantage the incumbent supplier against their competitors. The information could provide competitors with the suppliers pricing, which could result in these suppliers obtaining a competitive advantage which could result in the Trust not obtaining best value for money. It could also result in increased charges across the NHS.

In this instance, we consider that the public interest in withholding the information is greater than the public interest in disclosing the information.

If I can be of any further assistance, please do not hesitate to contact me.

Should you be dissatisfied with the Trust's response to your request, you have the right to request an internal review. Please write to the Freedom of Information Department (esh-tr.foi@nhs.net), quoting the above reference, within 40 working days. The Trust is not obliged to accept an internal review after this date.

Should you still be dissatisfied with your FOI request, you have the right of complaint to the Information Commissioner at the following address:

The Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
Cheshire SK9 5AF

Telephone: 0303 123 1113

Yours sincerely
