FREEDOM OF INFORMATION ACT

I am responding to your request for information under the Freedom of Information Act. The answers to your specific questions are as follows:

We are currently updating data on your Trust's medical imaging equipment and spend. Can you please complete the fields below with what you currently hold?

A list of the current medical imaging equipment held by the Trust across all hospital sites, providing the following information:

Q1: What is the contract value for each imaging modality requested below:

- a) Computed Tomography (CT)
- b) Magnetic Resonance Imaging (MRI)
- c) Ultrasound
- d) Fluoroscopy
- e) Mammography
- f) Nuclear
- g) Mobile X-ray
- h) Static X-ray

Section 17 Notice of Refusal

Whilst the Trust holds the information requested, it is applying a Section 43(2) exemption in relation to this part of the request as the release of the information is likely to prejudice its commercial interests.

In applying the exemption consideration has been given to the public interest in enabling scrutiny of public sector decision making and the general public interest in accountability and transparency.

We have concluded that sharing commercials could disadvantage the incumbent supplier against their competitors. The information could provide competitors with the suppliers pricing, which could result in these suppliers obtaining a competitive advantage which could result in the Trust not obtaining best value for money.

In this instance, we consider that the public interest in withholding the information is greater than the public interest in disclosing the information.

Q2: A list of the current modalities held by the Trust across all hospital sites for each of the following:

- a) Supplier name
- b) Product name
- c) Contract start date
- d) Contract expiry date
- e) Number of devices
- f) Age of product

Please see the attached document.

Q3: What percentage of your imaging equipment has an element of Artificial Intelligence?

None.

Further to our response of 7th November, we subsequently received the following request from yourself and our reply is detailed below:

Thank you for sharing the dataset with me.

We notice that it doesn't include ultrasounds. Could you please share those as well.

Please see the attached amended document - 'FOI 25-750 - Question 2(v2)'.

If I can be of any further assistance, please do not hesitate to contact me.

Should you be dissatisfied with the Trust's response to your request, you have the right to request an internal review. Please write to the Freedom of Information Department (esh-tr.foi@nhs.net), quoting the above reference, within 40 working days. The Trust is not obliged to accept an internal review after this date.

Should you still be dissatisfied with your FOI request, you have the right of complaint to the Information Commissioner at the following address:

The Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
Cheshire SK9 5AF

Telephone: 0303 123 1113

Yours sincerely
