Further to your recent request for information made under the Freedom of Information Act (FOIA) 2000, I now set out our answers to your specific questions, and any clarifications sought and provided, as follows:

- 1. Manufacturer and model of all endoscopic imaging systems and video endoscopes in use within the trust.**
- 2. Location within trust (hospital site)**
- 3. Age of each unit in situ (date of manufacture or date of installation)**

Please see the attached document - 'FOI 26-113 Endoscopic Imaging Systems and Video Endoscopes' for the information requested above.

- 4. Associated planned replacement programmes or supplier contracts in place**

All equipment is on a maintenance contract and the Trust's planned scheduled replacement program.

I trust this information is helpful in its detail or explanation however, if you are dissatisfied with the response, then you have the right to request an internal review. If you wish to seek an internal review, please write to the Freedom of Information Team at esh-tr.foi@nhs.net quoting the above FOI reference number, within 40 working days.
