Further to your recent request for information made under the Freedom of Information Act (FOIA) 2000, I now set out our answers to your specific questions, and any clarifications sought and provided, as follows:

- 1. Please provide details of all menopause services currently available at your trust for patients experiencing treatment-induced or cancer-related menopause.**

East Sussex Healthcare NHS Trust does not have specific menopause clinics. These patients are referred and seen via general gynaecology.

Please include service names, whether they are cancer-specific, and any referral pathways.

Please see above.

- 2. Please provide the number of patients referred to menopause services for cancer-related or treatment-induced menopause for the last five financial years (2021/22, 2022/23, 2023/24, 2024/25, 2025/26).**

Not applicable.

- 3. Please provide the number of patients who attended these services following referral, for the same years.**

Not applicable.

If available, include first appointments, follow-ups.

Not applicable.

- 4. Please provide the average and longest waiting times for access to menopause services for oncology patients for each of the last five financial years.**

Not applicable.

I trust this information is helpful in its detail or explanation however, if you are dissatisfied with the response, then you have the right to request an internal review. If you wish to seek an internal review, please write to the Freedom of Information Team at esh-tr.foi@nhs.net quoting the above FOI reference number, within 40 working days. Please note the Trust is not obliged to accept a request for an internal review after this time period.

Yours faithfully
