Further to your recent request for information made under the Freedom of Information Act (FOIA) 2000, I now set out our answers to your specific questions, and any clarifications sought and provided, as follows:

- 1) Please can the Trust Advise if they are likely to approach the market to replace their current Managed Print Contract expiring in September 2026?**

East Sussex Healthcare NHS Trust entered into a call off contract in January 2025 that runs until January 2030 via CCS Framework RM6174.

- 2) If the Trust does not intend to approach the market what are their plans for the provision of print in the coming years? e.g. Direct Award to incumbent?**

Not applicable.

I trust this information is helpful in its detail or explanation however, if you are dissatisfied with the response, then you have the right to request an internal review. If you wish to seek an internal review, please write to the Freedom of Information Team at esh-tr.foi@nhs.net quoting the above FOI reference number, within 40 working days. Please note the Trust is not obliged to accept a request for an internal review after this time period.

Yours faithfully
