Further to your recent request for information made under the Freedom of Information Act (FOIA) 2000, I now set out our answers to your specific questions, and any clarifications sought and provided, as follows:

- 1) **What was your training budget for Patient Safety or Human Factors training in 2025/26 (excluding levels 1,2,3,4 provided through the EfHL and Loughborough University)?**

East Sussex Healthcare NHS Trust does not have a specific training budget for Patient Safety or Human Factors.

ESHT deliver in house Human Factors training, therefore there is zero cost.

- 2) **What is your budget planned for 2026/27 financial year?**

Please refer to question 1 above.

- 3) **How many staff did you provide training to last year, and how many do you anticipate training this year?**

ESHT had 114 staff come through our Human Factors related courses between 1st April 2025 and 31st March 2026. All were nursing staff.

ESHT have the provision to provide training for up to 540 staff per year if all sessions are filled.

- 4) **Which role is the budget holder?**

Not applicable as there is no specific training budget.

- 5) **When was your PSIRF Plan last reviewed, and when is it next due for review?**

The PSIRF plan was last reviewed in May 2026, and the next review is due May 2027.

I trust this information is helpful in its detail or explanation however, if you are dissatisfied with the response, then you have the right to request an internal review. If you wish to seek an
