Tel: 0300 131 4500  
Website: [www.esht.nhs.uk](http://www.esht.nhs.uk)

Further to your recent request for information made under the Freedom of Information Act (FOIA) 2000, I now set out our answers to your specific questions, and any clarifications sought and provided, as follows:

**I have a freedom of information request regarding the treatment of renal cell carcinoma. Could you please answer the following questions:**

**1. How many patients have been treated in the past 3 months with the following agents for renal cell carcinoma (any stage):**

• <b>Avelumab + Axitinib</b>	0
• <b>Axitinib</b>	3
• <b>Cabozantinib</b>	11
• <b>Everolimus</b>	0
• <b>Lenvatinib + Everolimus</b>	2
• <b>Lenvatinib + Pembrolizumab</b>	4
• <b>Nivolumab monotherapy</b>	3
• <b>Nivolumab + Cabozantinib</b>	7
• <b>Nivolumab + Ipilimumab</b>	0
• <b>Pazopanib</b>	0
• <b>Pembrolizumab monotherapy</b>	2
• <b>Pembrolizumab + Axitinib</b>	0
• <b>Radiotherapy only</b>	

Radiotherapy service is delivered by University Hospitals Sussex NHS Foundation Trust, and their email contact details are as follows: [UHSussex.foi@nhs.net](mailto:UHSussex.foi@nhs.net)

• <b>Sunitinib</b>	1
• <b>Temsirolimus</b>	0
• <b>Tivozanib</b>	0
• <b>Other active systemic anti-cancer therapy</b>	0
• <b>Palliative care only</b>	

East Sussex Healthcare NHS Trust (ESHT) does not centrally record patients being treated for palliative care only. To enable the Trust to provide this information would require a manual review of patients' notes to establish if we hold this information, and discussing each patient with individual clinicians, which we estimate would take in excess of 18 hours. We are therefore applying Section 12(1) to this part of your request.

Section 12(1) of the Act allows a public authority to refuse to comply with a request for information if the authority estimates that the cost of compliance would exceed the 'appropriate limit', as defined by the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004 (the Regulations). These state that this cost limit is £450 for public authorities which are not part of central government or the armed forces. The costs are calculated at £25 per hour per person regardless of the rate of pay, which means that the limit will be exceeded if the work involved would exceed 18 hours. The Trust estimates that the cost of complying with this request would significantly exceed the above limit.

- **Pembrolizumab (solution for subcutaneous injection)** 0

**2. In the past three months, how many advanced renal cell carcinoma patients received the following first-line treatments :**

- **Avelumab + Axitinib (Bavencio + Inlyta)** 0
- **Cabozantinib (Cometriq)** 11
- **Nivolumab (Opdivo)** 2
- **Nivolumab + Cabozantinib (Opdivo + Cometriq)** 7
- **Nivolumab + Ipilimumab (Opdivo + Yervoy)** 0
- **Lenvatinib + Pembrolizumab (Kisplyx + Keytruda)** 4
- **Pembrolizumab + Axitinib** 0

**3. In the last 3 months, how many patients have been initiated\* on the following agents for treatment for Renal Cell Carcinoma? :**

- **Nivolumab (monotherapy)** 1
- **Nivolumab + Ipilimumab** 0
- **Nivolumab + Cabozantinib** 2
- **Avelumab + Axitinib** 0
- **Lenvatinib + Everolimus** 0
- **Lenvatinib + Pembrolizumab (Kisplyx + Keytruda)** 0
- **Cabozantinib (Cometriq)** 0
- **Pembrolizumab + Axitinib** 0

\*Patients are considered initiated if they have not been treated in the previous 6 months with any of the drugs that are part of the named regimen.

**4. In the last 3 months, how many patients have undergone full or partial nephrectomy (any of the following OPCS codes M02.1, M02.2, M02.3, M02.4, M02.5, M03.1, M03.9, M04.2, M10.1 or M10.4)?**

Please see the table below for the number of full/partial nephrectomy carried out in ESHT during the period March to May 2026:

Number of Procedures	Procedure Code	Procedure Description
3	M021	Nephrectomy and Excision of Perirenal Tissue
9	M025	Nephrectomy NEC
2	M022	Nephroureterectomy NEC
7	M039	Unspecified Partial Excision of Kidney

**5. Does your trust participate in any clinical trials for the treatment of renal cell carcinoma? If so please provide the name of each trial and number of patients that are taking part?**

ESHT currently have 1 trial open to recruitment for renal cell carcinoma.

IRAS 318662 PARTIAL The PARTIAL study: A randomised trial of the clinical and cost effectiveness of complex PARTIAL vs radical nephrectomy for clinically localised renal cell carcinoma

Recruited participants: 2

ESHT are in the process of opening one trial but that will take a while before we are open and ready to recruit.

I trust this information is helpful in its detail or explanation however, if you are dissatisfied with the response, then you have the right to request an internal review. If you wish to seek an internal review, please write to the Freedom of Information Team at [esh-tr.foi@nhs.net](mailto:esh-tr.foi@nhs.net) quoting the above FOI reference number, within 40 working days. Please note the Trust is not obliged to accept a request for an internal review after this time period.

Yours faithfully
