

FOI REF: 26/542

20th August 2026

Eastbourne District General Hospital

Kings Drive
Eastbourne
East Sussex
BN21 2UD

Tel: 0300 131 4500
Website: www.esht.nhs.uk

Further to your recent request for information made under the Freedom of Information Act (FOIA) 2000, I now set out our answers to your specific questions, and any clarifications sought and provided, as follows:

The volume in grams of immunoglobulin distributed/issued to East Sussex Healthcare NHS Trust (i.e. the quantity received by the Trust) in each month for April, May, June 2026, broken down by product (see below).

Number of vials is fine if you don't hold grams. I would also like the number of unique patients treated by brand over the period, if available.

- Vigam
- Flebogamma DIF
- Gammaplex
- Gamunex-C
- Octagam
- Gamten
- Kiovig
- Intratect
- Privigen
- Iqymune
- Gammanorm
- Subcuvia
- Subgam
- Hizentra
- Hyqvia
- Cuvitru
- Panzyga
- Xembify
- Cutaquig
- Vyvgart (Efgartigimod)

Please see the attached document - 'FOI 26-542 - Response' for the number of Vials/Grams received/purchased by East Sussex Healthcare NHS Trust (ESHT) and the number of patients that have been treated for the period requested.

Please note that the number of Vials/Grams received/purchased by ESHT would not necessarily match with the number of patients that have been treated.

I trust this information is helpful in its detail or explanation however, if you are dissatisfied with the response, then you have the right to request an internal review. If you wish to seek an internal review, please write to the Freedom of Information Team at esh-tr.foi@nhs.net quoting the above FOI reference number, within 40 working days. Please note the Trust is not obliged to accept a request for an internal review after this time period.

Yours faithfully

Freedom of Information (FOI) Team
East Sussex Healthcare NHS Trust
