Further to your recent request for information made under the Freedom of Information Act (FOIA) 2000, I now set out our answers to your specific questions, and any clarifications sought and provided, as follows:

I would like to formally request the information outlined below.

To help ensure the data can be interpreted accurately, I would be grateful if responses could be provided in a structured format, preferably as a table or excel file with each question (or question number) and corresponding answer shown on a separate row.

Where possible, please provide responses as numerical values rather than textual descriptions.

Oncology diagnosis and treatment questions:

1a	How many patients have been diagnosed with non-small cell lung cancer in the latest 6 months?	52
